## INTRODUCTION

Thank you for choosing Dermalogic MASSIMO Spa Treatment Chair. Dermalogic is an AYC's registered trademark for elegant and well-designed spa salon furnishings and appliances. We strive to bring quality, dependability and affordability when properly used.

PLEASE TAKE TIME TO READ THIS MANUAL THOROUGHLY BEFORE USE. If you have any questions or concerns with your spa treatment table, please contact our customer service and technical support at 972-926-6488 ext. 2, Monday through Friday 9AM – 5PM or email us at [service@ayc.com](mailto:service@ayc.com).

## SHIPMENT INSPECTION

Thoroughly inspect each shipment immediately upon arrival. It is very important that you notify the driver directly and note any damage or irregularities on the delivery receipt. Failure to note damage on the delivery receipt may prevent any claims you may have against the carrier.

If concealed loss or damage is found, you MUST report it to AYC within 72 hours of delivery and DO NOT DISCARD THE SHIPPING CARTON. Failure to do so constitutes acceptance of the shipment as-is and in good order and, additionally, waives any right to collect possible compensation from shipping claims.

## TREATMENT CHAIR ACCESSORIES

- Power Cord x 1
- Hand Controller x 1
- Headrest x 1
- Armrest x 2
- Pillow x 1

NOTE: Please check all the accessories that are contained after unpacking

# SPECIFICATIONS

- Model: YNH-FCCHR-81014
- Rated Output/Input Voltage: AC 110V-240V
- Product Net Weight: 155lbs +/-
- Fabric Material: Synthetic PVC Leather
- Base Cover Material: ABS Plastic
- Weight Capacity: 450 lbs
- Size: 75" L x 22" W x (26-34)"H
- Rotating Armrests: 0°-180°
- Backrest Adjustment Range: 0°-85°
- Legrest Adjustment Range: 0°-50°

## PRECAUTION

- Maintain a distance of at least 20 cm between the control box, hand control, and high-frequency equipment to avoid interference.
- Ensure power cables and plugs are intact before use. Any damage should be addressed by professionals or service providers.
- Verify that the voltage matches the specified safety voltage. Using incorrect voltage can cause product damage.
- When in use, the product may draw a current of 10A or more. Choose a power outlet capable of handling high current and, if possible, use a dedicated outlet to prevent power failure or fire hazards.
- Avoid handling the product with wet hands to prevent electric shock.
- Do not plug in the product before completing installation.
- Position power cables to prevent tripping hazards.
- Clean the product's surface with a soft towel and diluted neutral detergent.
- Unplug the product when not in use.
- Do not disassemble the product without manufacturer authorization.

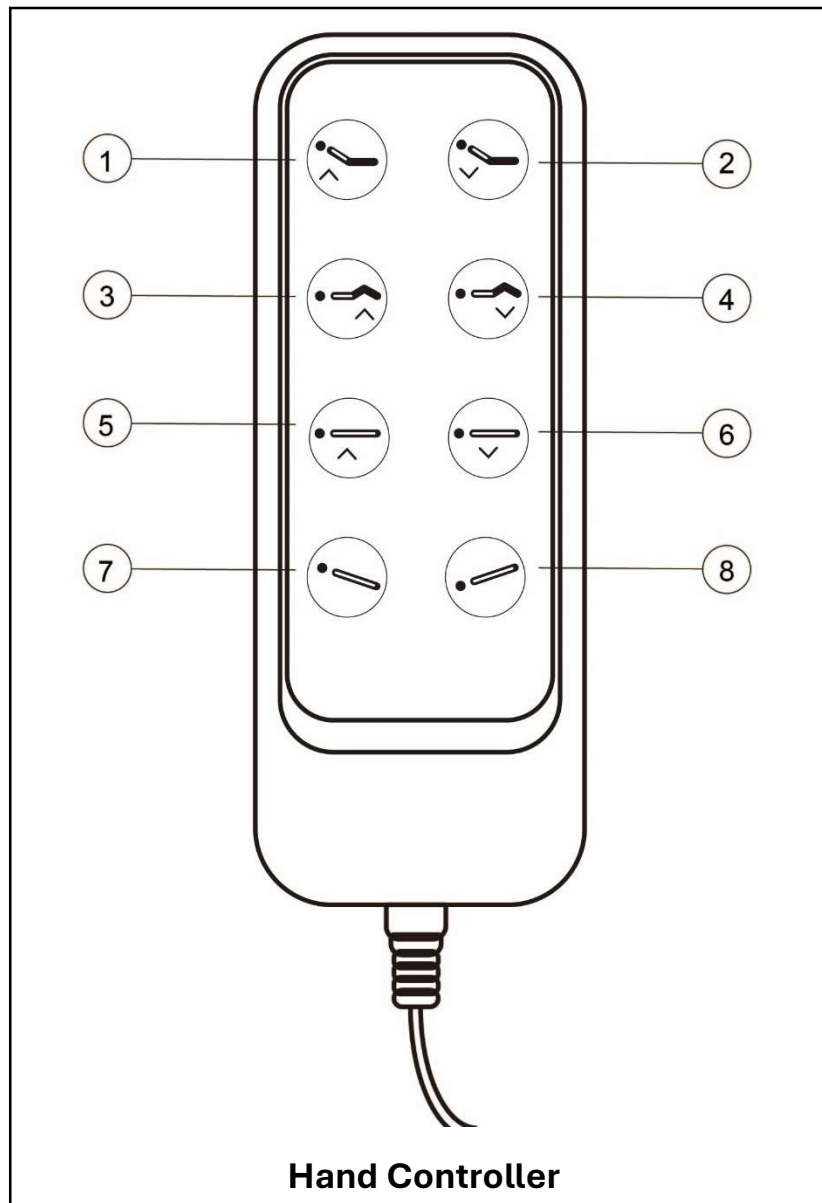

## HEALTH WARNING

Individuals with the following conditions should avoid spa treatment.

- Medical conditions, such as osteoporosis or heart-related issues.
- Pregnancy or menstruation.
- Injuries or disabilities.
- Unconsciousness or illness.
- Children under 14 years old without supervision.

**If the client experiences any pain or discomfort, discontinue the spa treatment immediately.**

# MAINTENANCE

- Perform daily cleaning by wiping dust with a soft, dry towel.
- Remove heavy dirt using a soft towel with diluted neutral detergent, followed by scrubbing with a dry towel.
- Avoid using benzene, diluent, gasoline, or other solvents, as they may damage the leather or corrode the product's appearance.
- Do not expose the product to strong sunlight or a moist environment, as this may cause damage.
- Use the product within the temperature range of -5°C to 50°C and humidity levels of 45% to 85%.
